

### **REMARKS / ARGUMENTS**

The following changes were discussed in the 15 June 2004 interview with the Examiner:

On Drawing Sheet 8 of 8, new FIGS 36-38 were added in response to Office Action Item 5.

In the Specifications, pages 1 and 3 were corrected to eliminate the reference to this application being a division of a previous application... but is a continuation-in-part of Application 10/177,314, amended in response to Office Action Items 6-10.

The Examiner has acknowledged in the Office Action Item 21 that Claim 1-5, 7-10, and 12-18 are directed to allowable subject matter.

In the Claims, Claims 6, 11, 19, and 20-23 were rewritten of overcome the rejections in response to Office Action Items 11-22.

Respectfully Submitted ,
